Week 1 Discussion: What is Educational Technology?	Educational technology is a complex topic that reflects the complexity of modern education and society. What is your definition of educational technology prior to reading chapter one? How has your definition of educational technology evolved? Which perspective listed in Table 1.1 (pg 5) is closest to your current view? Please comment on the posts of two of your colleagues.	164	164	20
Week 5 Discussion - Technology Integration in Action	<p>Review Technology Integration in Action: Sharing a Passion for Poetry (pg. 139-141) and Adapting for Special Needs: Software Tools (pg. 151). Based on student's special needs, curriculum modifications need to be made. Describe in detail how the poetry unit may be adapted to accommodate one of the following special needs:</p> <ul style="list-style-type: none">• Attention Deficit Hyperactivity Disorder• Dyslexia• Asperger's Syndrome• Hearing Impaired• Vision Impaired <p>Respond to the comments of at least two of your colleagues.</p>	105	105	18
Week 7 Discussion - Online vs Face-to-Face Learning	<p>Read Chapter 7 Hot Topic Debate: Can Students Learn as Well Online as Face-to-Face? The demand for online courses continues to increase as students require more flexibility for educational opportunities. However, online courses may not be suitable for all learners. Respond to the questions from the Hot Topic DeBate:</p> <ol style="list-style-type: none">1. If researchers are correct that the learning medium or distance format make no difference in learning outcomes, why is the dropout rate so high?2. Are all students ready to learn online?
